[Intro]
C

[Verse 1]
```
C           F       C
All I want is nothing more
   C            G     Am
To hear you knocking at my door
          F                     C
'Cause if I could see your face once more
         F              C
I could die a happy man I'm sure
```

[Verse 2]
```
C                 F       C
When you said your last goodbye
   C          G     Am
I died a little bit inside
   F                    C
I lay in tears in bed all night
 F                     C
Alone without you by my side
Gadd11            Am
      But if you loved me
```

[Chorus]
```
           F
Why'd you leave me?

Take my body
         G
Take my body
      Am
All I want is,
         F
And all I need is
           C
To find somebody.

I'll find somebody like you.
